How did you hear about Nursery on Notch Hill? \_\_\_\_\_

## Nursery School for children ages 3-5

Established in 1971, by the Zion Episcopal Church, Nursery on Notch Hill is a preschool that provides young children with opportunities for social, emotional, physical and cognitive growth. We prepare your children to succeed in all areas and help them to become developmentally ready for Kindergarten. Our classes are limited to 12 students, keeping a favorable 1:6 teacher to child ratio. Our program encourages creativity, curiosity, independence and self-confidence. All of our teachers are committed to treating each child with respect and will provide developmentally appropriate activities to help each child grow at their own pace.

### Financial Assistance:

We accept **Care 4 Kids**, a nationally funded program designed to help working families. We also have Nursery on Notch Hill Scholarships for families who meet our eligibility requirements.

Please speak to the Director if you would like additional information.

## REGISTER EARLY, SPACES ARE LIMITED!

**A \$50 non-refundable registration fee is required**
